Join the fight for community change in Northeast Florida.

United Way isn't just another nonprofit asking for your money. It's a powerful alliance of more than 200 Northeast Florida organizations working together to change lives. We don't fix our community's toughest challenges, we solve them. But we can't do this work without you.

GIVE.

Less than a dollar a day can make a tremendous difference in the life of someone in Northeast Florida struggling to find hope. It's your coworker, it's your neighbor, it's the person who just walked past you on the street – it's all of us. Northeast Florida needs more neighbors helping neighbors, and you have the power to help by giving to United Way.
