

LEADING THE CHARGE,
INSPIRING THE CHANGE

UNITED WAY OF NORTHEAST FLORIDA'S VOLUNTEER HUB

United Way's Volunteer Hub is a comprehensive volunteer management platform available to United Way of Northeast Florida's community partners.

Agencies who create a profile will have the ability to:

- + Create their own individual agency page with a unique web address
- + Post volunteer opportunities and events
- + Track engagement, including total number of hours and volunteers
- + Check-in volunteers on site
- + Post photos and videos on their page
- + Access year-round training and assistance

HOW YOUR AGENCY CAN BENEFIT

Save time Auto-notifications and user-friendly posting allow your agency to work more efficiently. Easily share your volunteer needs on social media, too.

Boost donations Increase your volunteer pool with United Way's Volunteer Hub, and watch volunteer donations grow.

Target interests With dynamic searching, volunteers can find opportunities they are passionate about, connecting you to the most dedicated volunteers.

Enhance reporting United Way's Volunteer Hub makes it easy to track and report on volunteer need responses, hours and community impact — important data for grants and funding.

Build meaningful relationships Volunteers who "fan" an agency will automatically receive notifications about new volunteer opportunities that interest them.

Gain exposure By tapping into United Way's established network, you'll become more visible, and more volunteers are likely to find your opportunities.
