GIVING HOPE

Every day, families in our community struggle to make ends meet. They work hard, sacrifice and make tough choices, but the challenges are often too great to overcome on their own. When you join United Way to amplify good in Northeast Florida, you ensure these families never have to stand alone.

With your help, we're creating a community of opportunity — one where everyone has hope and can reach their full potential. Together, we're supporting our neighbors, breaking the cycle of poverty, eliminating inequities and giving every person a chance to do better than the generation before.
