**Serving Those
Who Served Us**

2-1-1

Northeast Florida

United Way
of Northeast Florida

At Mission United, we know military benefits and community resources can sometimes be tiring and troublesome to navigate.

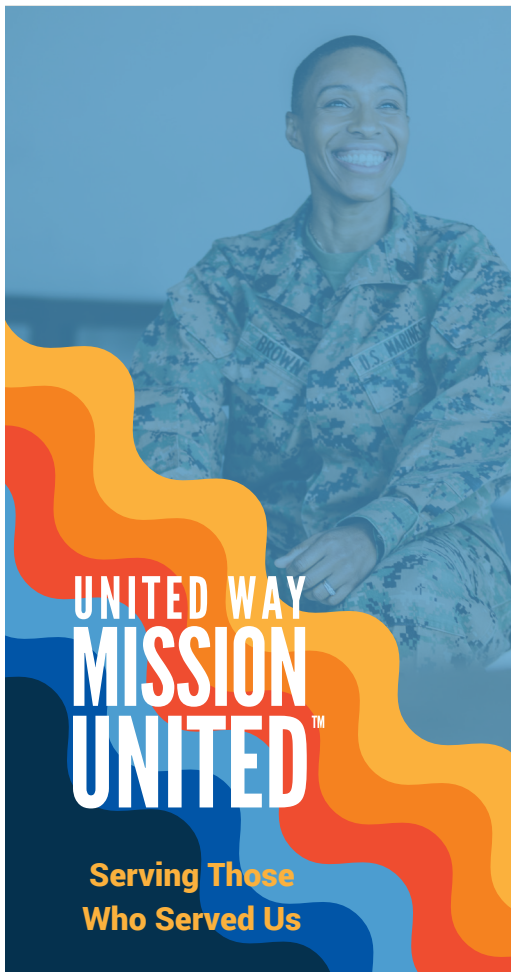

It's our duty to serve those who served us. When you contact Mission United, we'll assign you a care coordinator who will work with you one-on-one to connect you to available free community resources. Our mission is to make it easier for you and your family to get the help you need when you need it.
