## You might qualify for the Earned Income Tax Credit (EITC) if you:

- Earned income during the tax year
- Had investment income under \$3,650 during the tax year
- Have a valid Social Security number
- Are a U.S. citizen or resident alien for the full year
- Will file as single, married filing jointly, head of household or qualifying widow(er)
- Have a qualifying child or meet additional requirements below

### If you do not have a qualifying child, you must also:

- Be age 25-64 at the end of the tax year
- Live in the U.S. for more than half the year (50 states, D.C. and U.S. military bases only)
- Not be claimed as a qualifying child on another return

Additional eligibility rules – including special guidelines for military, clergy, and taxpayers or relatives with disabilities – are available by scanning the QR code.
